your HostPapa dashboard. You are still responsible for all fees and charges accrued prior to the effectiveness of such cancellation.

2. After submitting a cancellation request you will receive an email from our support team with a tracking number stating that "Your service cancellation is being processed". If necessary, we will contact you to verify the details of your cancellation request.
3. If you do not hear back from us or do not receive a confirmation email within a few minutes of submitting your cancellation request, please contact the HostPapa Customer Support Team.
